

TICKETING PROCESS – SWIMMING CHAMPIONSHIPS

PIAA is contracted with Hometown Ticketing for digital ticketing. The following schedule will map out the process for advanced sale series tickets for swimming championships. All series tickets will only be sold in advance online as illustrated below:

Ticket Codes:

Once PIAA has determined all qualifiers, they will assign a code(s) to each individual athlete. Each code is specific to two (2) tickets per day of a qualified event.

Example: John Smith qualified in the 3A Boys 100 Fly and 100 Free. John Smith will have two unique codes assigned to him. A code for two (2) tickets for Friday and a code for two (2) tickets Saturday.

The school's Athletic Director will receive an email from PIAA with a code(s) for each athlete from that school that has qualified. The Athletic Director/Coach will need to coordinate the dissemination of codes to parents. Relay alternates do not receive ticket codes.

Purchasing:

Parents/coaches will make their online purchase of advance sale series swim tickets. **NO SERIES TICKETS WILL BE AVAILABLE FOR PURCHASE AT REGISTRATION.** Day of single session tickets will be limited to two (2) per person. Any remaining single session day of ticket sales will be available for purchase online. There is no guarantee that general admission tickets will be available on the days of competition.

Spectators can either present their ticket on their phone for scanning or print out a hard copy of the ticket to be scanned. PIAA will have a customer service representative on site all days of competition (March 12-15, 2025).
