

McD Swimming & Diving Backpack Custom Embroidery

Swimmer: _____

Please use this form if a team backpack is ordered through the SwimOutlet team store. A custom team logo can be added to a backpack through our local vendor. ALL EMBROIDERY WILL BE DONE AFTER BACKPACKS ARE RECEIVED FROM SWIMOUTLET. This is done for quality control. It also speeds up the shipping time. Once backpacks are received by the swimmer/parent, please drop them off to a coach at practice. It would be helpful if tags were left on the bag and labeled with the swimmer's name.

All meet-specific items, including backpacks, are ordered online through the McD Swimming SwimOutlet.com team store:

Fee for embroidery of custom team logo on backpack: \$10.00
