4th Annual Zach Peiffer Memorial Swimming and Diving Invitational
Hosted by the West Shore School District

On Friday, December 12th, and Saturday, December 13th, 2025 the Cedar Cliff and Red Land High Schools will be hosting the 3rd Annual Zach Peiffer Memorial Swimming and Diving Invitational.

Zach Peiffer was a West Shore School District swimmer who graduated in 2021. Zach competed in the West Shore Natatorium since grade school, swimming with our youth club team, the Aquatic Club of the West Shore, and then Red Land High School. Zach set school records that can be viewed in our natatorium, but he is best remembered on deck for his mentorship and encouragement to teammates and younger swimmers, his “go-big” attitude, and his contagious smile. We hope this invitational, in his memory, will bring an amazing group of athletes together to lift each other, swim fast, and create great memories as we kick off the PIAA season of competitive Swimming and Diving.

The West Shore Natatorium is a 25-yard 6-lane pool (6ft depth) with a diving well that holds two 1M springboards (12ft depth). A complete Colorado timing system, including a six-line scoreboard and Hy-Tek Meet Manager software with real-time results, will ensure a fair and orderly meet. To follow live meet results, please use Meet Mobile.
